

TECHNICAL RIDER || CHATO'S KITCHEN

DRAFT: August 25, 2021

PLEASE DISTRIBUTE THIS DOCUMENT TO
ALL APPROPRIATE SUPERVISORY STAFF

This document, along with a ground plan and light plot, will be available in 2022.

The scenery, props, sound equipment, wardrobe and acting company of CHATO'S KITCHEN travels in one (1) Sprinter van and one (1) 15 passenger van. Please provide any necessary parking permits for both vans for the duration of the run.

The vans will be unloaded during the first day of the load in at a time mutually agreed upon between the presenter and CHILDSPLAY. The immediate area of the loading dock and unloading area must be clear and available for vehicle parking during the entire duration of the load in and load out. It must be clear of all snow, ice, debris, or other obstructions prior to our arrival.

Prior to CHILDSPLAY'S arrival, work over stage must be completed. This includes lighting being ready for focus and soft goods arranged as mutually agreed. **If PRESETNER is unable to complete this work prior to CHILDSPLAY'S arrival, please plan for a longer load in time.**

The presenter or a representative must be available at all times to the stage manager during the load in, all performances and at the load out. For engagements lasting more than one day, the stage manager must be able to contact a representative of the presenter via telephone. Any representative must be able to make decisions on behalf of the presenter.

LOAD IN/LOAD OUT

CHATO'S KITCHEN will require a minimum of five (5) hours to load in, focus, set lighting cues, sound check and do a walkthrough of the show. **This work session lasting five (5) hours or less is contingent upon the PRESENTER being prepared for CHILDSPLAY'S arrival, as noted above.**

The stage manager will contact you prior to arrival to confirm a final load in schedule. If the load in occurs on the same day as the first performance, the load in shall begin at a time so as to allow for a break between load in and half hour.

Strike will take approximately one (1) hour and thirty (30) minutes.

CHATO'S KITCHEN requires that the PRESENTER provide a minimum of four (4) stage hands to assist with the unloading and assembly of scenery during load in. The PRESENTER will provide one (1) sound supervisor and one (1) lighting supervisor, and one (1) wardrobe supervisor/dresser. The show crew members are required to strike and load out the show. A CHILDSPLAY company member will oversee load in and strike of scenery.

SCENERY

The set does not need to attach to the stage floor and no scenery is hung from battens. There are no fly cues in the show, so unless the house requires the fire curtain or main curtain be operated, no fly man is required. CHATO'S KITCHEN requires the following:

1. A minimum performance area of 30'-0" wide by 30'-0" deep from the downstage edge of the performance area to the upstage blackout drape by 11'-0" high.
 - a. This area must be clear. Nothing can be stored within it.
 - b. It must be level.
 - c. The load in area must be on the same level as the performance space or accommodation must be made.
2. The following soft goods should be hung prior to arrival:
 - a. Three (3) pairs of black legs
 - b. Three (3) borders
 - c. One (1) full white cyc
3. Adequate blue run lighting to provide backstage illumination during the show.

AUDIO

CHATO'S KITCHEN requires the following:

1. A house sound system in good working order that can easily accommodate all of the CHILDSPLAY'S audio components. The CHILDSPLAY travels with the following:
 - a. Mac laptop with QLab for sound playback and audio interface to be placed at stage manager calling location.
2. Please have a headset/intercom system run to the following places:
 - a. Light operator position
 - b. Backstage (SR and SL)
 - c. Stage management calling position
3. Please have two (2) monitor speakers placed in the DS corners of the stage for foldback, levels to be controlled separate from the main mix.
4. Please provide one (1) house audio engineer to assist with the setup of sound for the show, so that this work may take place concurrently with the scenic load in.
5. House sound console should have eight (8) available inputs and four (4) minimum outputs.
6. A mixing position located at the rear of the house is needed, secure from tampering by audience with an unobstructed view of the stage. If sound position is in a booth with windows, the windows must be able to be opened.
7. CHILDSPLAY'S staff will operate the playback of sound from the laptop.

LIGHTING

Although there is flexibility in the production's lighting design, venue inventory should include enough instruments, circuits and dimmers for area lighting, different color washes, and several specials.

CHATO'S KITCHEN requires the following:

- 1. Light plot must be hung, circuited, colored, and troubleshot prior to CHILDSPLAY'S arrival. If presenter is unable to prepare lighting prior to arrival, please plan for a longer load in time.**
2. Please provide at least four (4) electricians to assist with focus. They can be the same four (4) stage hands that help load in and set up the scenery.
3. Focus will begin once the scenery is loaded in and will be led by the stage manager.
4. Please provide one (1) crew member to run the light board during all shows.
5. The plot and more information will be available in 2022.
6. CHILDSPLAY provides gobos.

WARDROBE

CHATO'S KITCHEN requires the following:

1. Please provide one full-size washer and one full-size dryer for show's use. Washer must have individual cycle capabilities and water levels and temperature controls. These machines must be located in the theater.
2. A steam iron and ironing board must be available. A steamer is also requested.
3. All wardrobe areas must be thoroughly cleaned prior to the CHILDSPLAY'S arrival. All areas must be properly lighted and ventilated.
4. Please provide one (1) crew member to assist with quick changes during the run of the show. This crew member should be present at load in to go over the changes at that time.

DRESSING ROOMS

CHATO'S KITCHEN consists of four (4) actors. CHILDSPLAY requires exclusive use of the stage and dressing room areas from the start of load in through the end of strike. Any house restore must take place after the show has been completely loaded out. For subsequent performances after the initial load in day, the stage and dressing rooms must be available two (2) hours prior to curtain. CHATO'S KITCHEN requires the following:

1. Please provide at least two dressing rooms.
2. All rooms need to be properly heated/air conditioned.
3. All rooms must be clean (floors, make-up tables, mirrors, sinks and bathrooms) prior to the start of the load-in and maintained daily.
4. All rooms must be well lit with hanging racks (not clothes hooks) and running water to conform to Equity safe and sanitary regulations.
5. The space must have a mirror and suitable lighting around mirror to see while preparing for each performance.
6. Chairs, not stools or benches, are required at each space used by a performer.
7. Restrooms must be within close proximity of the dressing rooms.

8. Additionally, it is greatly appreciated if a production office can be made available to the Stage Manager and crew during the duration of our residency.
9. Please provide the CHILDSPLAY with any passwords needed for WIFI access.

HOSPITALITY

CHATO'S KITCHEN requires the following:

1. Please provide water, coffee, and tea.
2. Healthy snacks like fruit, hummus, and vegetables are always appreciated.
3. If the CHILDSPLAY is performing two shows in one day a light lunch is greatly appreciated.
4. Check with Associate Production Manager, Mara Nadolski, for dietary restrictions.

POST-SHOW DISCUSSION

Following each performance, the cast will conduct a question and answer session with the audience that will last approximately five (5) minutes. Lighting and sound operators must remain at their consoles. This is an important part of the presentation of the play and we hope you will make your best efforts to include this as part of the program.
