ADDITIONAL TECH INFO

Venue Crew:

1 Sound Engineer for Load in/out and duration of performance.

Load in: 60 minutes

Load out: 45 minutes

PERFORMANCE INFORMATION

Pre-Show Music:

The Company has prepared a playlist of pre-show music for the show, which will be played from the stage.

House Opening:

The house can open up to 30 minutes prior to the start of the show once the Company has cleared it for opening.

The Company enjoys going into the audience and/or giving a small number of students the opportunity to come onstage at specified points during the performance, if feasible. The Company welcomes a conversation about how to manage this, e.g. how many students may be permitted onstage, which routes they should take to walk onto the stage, and which song(s) will include children on stage.

OTHER SERVICES

Parking:

Presenter agrees to provide 1 safe, secure parking space, close to the theater and easily accessible throughout the engagement period including load in, performance(s), and load out. If the engagement includes additional musicians, Company requests an additional parking spot for each musician similarly near the loading doors.
